☐ Probable Cause Arrest

☑ Warrant Request

IN THE NAME AND BY AUTHORITY OF THE STATE OF TEXAS:

BEFORE ME, the undersigned authority, on this day personally appeared Clayton Shaw who, after being by me duly sworn, on oath deposes and says: That heretofore, to-wit, on or about the 10 of June, 2021, and before the making and filing of this Complaint, in the County of Galveston and the State of Texas, Jordon, Devan Kristopher

Did then and there unlawfully,

then and there intentionally cause the death of an individual, namely Jeffrey Johnson, by shooting him with a firearm, and the defendant was then and there in the course of committing or attempting to commit the offense of robbery of Jeffrey Johnson.

This action was a violation of:

CAPITAL MURDER BY TERROR THREAT/OTHER FELONY - 19.03(a)(2) (PC) (FX) (09990022)

The AFFIANT bases his belief on the following facts: (Probable Cause Statement)

Affiant is a sworn officer with the League City Police Department with over 9 years of policing experience. Affiant is assigned to the Criminal Investigations Division and is responsible for investigating all crimes occurring in League City, to include Murder.

On 06/10/2021 at approximately 2355hrs Affiant was contacted by League City Police Dispatch and advised that a male had been shot at 1511 Waterside Dr, League City, Galveston County, Texas and an on-call detective was requested for investigation. Affiant learned from Sgt. Digby that Jeffrey Johnson [redacted] had been shot in the garage of his house. Affiant learned from Sgt. Digby that Jeffrey had traveled in his 2017 Jaguar coupe (TXLP [redacted]) from the Capitol Grille at 5365 Westheimer Rd in Houston, TX to his residence at 1511 Waterside Dr just before the shooting. Affiant learned from the victim's wife that Jeffrey had been wearing a gold Rolex watch valued at approximately $50,000.

Affiant also learned that three witnesses at 1513 Waterside Dr had heard screaming from the victim's wife, Cheryl, and had looked out of the window on the second floor of the northeast side of the residence and observed three people, dressed in all black, flee the scene by using an electrical/cable utility box to scale the fence onto Enterprise Ave. During a canvass of the area after the shooting Affiant collected a white Styrofoam cup with a red straw and clear lid from the roadway on Enterprise Ave approximately 35 yards north of 1511 Waterside Dr. Affiant observed the cup was not weathered or damaged and it appeared to have been recently dropped or discarded. The cup was processed for any fingerprints and the straw processed for DNA.

On 06/11/2021Affiant learned that Jeffrey had passed away due to the injuries sustained from the shooting. Affiant spoke with Dr. Nicholas Barna of the Harris County Institute of Forensic Science who conducted the autopsy on Jeffrey and Affiant learned the following:

Jeffrey had a perforating gunshot wound with the entrance on the right side of his chest, below the right nipple. The projectile travelled on a transverse path and exited Jeffrey's lower back. The projectile damaged Jeffrey`s diaphragm, lacerated his liver and kidney, and exited between the ribs. The projectile also fractured Jeffrey`s spinal column. The projectile passed through Jeffrey and likely tumbled during the wound path which is consistent with the terminal ballistics of FMJ or non-expanding handgun ammunition, like the projectiles recovered on scene. Affiant believes the projectile recovered from the garage floor was the projectile that had fatally wounded Jeffrey as the other two projectiles still had considerable energy when they struck the residence and continued to penetrate much further into the door and wall. Dr. Barna noted that although while extensive trauma care had been provided, surgery was unable to stop the bleeding in Jeffrey`s liver. Affiant learned from Dr. Barna's examination and Harris County IFS report ML21-2610 that Jeffrey had patterned contusions with rectangular markings and abrasions on his scalp consistent with being struck with an object and is a consistent injury associated with "pistol whipping" or being bludgeoned with a firearm. Jeffrey had abrasions on his fingers, contusions on his palms, and scrapes on his knees. All of which are consistent with a physical altercation.

Affiant knew from recent news and media reports, including press releases from the Houston Police Department that there had been numerous predatory robberies in the area the victim had left prior to returning to his residence. The Galleria area is known as a high crime area in which victims wearing luxury clothing and driving luxury automobiles are identified and followed before being robbed by organized groups of assailants.

Affiant obtained additional surveillance footage from assisting detectives and evidence technicians including footage from the Enterprise Ave entry gate and the Capitol Grille. Affiant observed footage and located Jeffrey's vehicle parked in the parking lot of Capitol Grille and a vehicle and parks near the front entrance next to a red Ferrari sports car. Affiant also observed a white late model GLE Mercedes SUV, appearing to conduct surveillance, as no occupants entered or exited the vehicle from its arrival at 2100hrs to the time it follows Jeffrey out of the parking lot at 2240hrs.

Det. Evans obtained video footage from Jeffrey's neighbors, and Affiant obtained the time of the 911 calls. After speaking with the victim's wife Cheryl Baron, who Affiant believes a credible witness, Affiant established a timeline and located a vehicle suspected of following Jeffrey before the fatal shooting which follows:

19:20hrs: Jeffrey arrives at Capitol Grille 5365 Westheimer Rd, Houston, TX in a grey Jaguar Coupe [redacted] where he parks next to a red Ferrari sports car

21:00hrs: A 2021 White Mercedes GLE parks in parking lot with no occupants exiting and no one entering the vehicle

22:40hrs: Jeffrey leaves Capitol grille with wife and is immediately followed by Mercedes GLE. Jeffrey's route home was:

Westheimer-610-IH 45-NASA Bypass-Egret Bay BLVD-FM 2094-Enterprise AVE-1511 Waterside Dr

23:11hrs: Jeffrey goes through gate at Enterprise Ave. Seconds later white SUV, Affiant believes to be the Mercedes GLE drives east into the Harbor View Nursing Home Plot and jumps the curb bypassing the gate

23:12hrs: Jeffrey passes a neighbor's with surveillance cameras at 1402 Waterside Dr in his Jaguar

23:19hrs: Shots are fired and witnesses report three males fleeing NB over fence onto Enterprise Ave

23:21hrs: Headlights are captured by video surveillance leaving SB on Enterprise Ave, the same area where Affiant recovered the white Styrofoam cup with red straw. The victim's wife calls 911 and states her husband was in the garage and had been shot in the head and in the chest. Additional 911 callers at 1513 Waterside Dr reported three males in black clothing jump the fence and flee the area.

23:22hrs: A white SUV, Affiant believed to be the White Mercedes GLE bypasses the gate on Enterprise Ave and exits by jumping curb at the Harborview nursing home and is captured by Burger King surveillance driving south bound at a high rate of speed

Affiant learned that there had been multiple incidents of robbery, aggravated assaults, and burglary in the Houston metropolitan area and surrounding suburbs which involved a white 2021 Mercedes GLE.

On 06/14/2021 Affiant learned from Houston Police Sgt. Russell Gray that the Houston Police Department Robbery Division and the Bureau of Alcohol Tobacco Firearms and Explosives were investigating a criminal organization that was involved in dozens of robberies, shootings, and home invasions that almost exclusively involved victims, wearing luxury clothing and jewelry and driving expensive vehicles, being followed from Houston Restaurants and then victimized, with an estimated 3 million dollars' worth of jewelry stolen in the first half of 2021. One of the vehicles used by the suspects was described as a white 2021 white Mercedes GLE SUV.

Affiant learned from Houston Police report 606279-21 that on 05/07/2021 at approximately 0325hrs victims driving a silver Rolls Royce luxury car were robbed of a $100,000 Patak Phillpe watch at 5060 W Alabama Houston, Texas. The victims had returned from eating at Steak 48/Bisou at 4444 Westheimer Ave and O2 Lounge at 3003 Fondren Rd just prior to the robbery occurring and The suspects fled the scene in a black Chevy Malibu ([redacted]

Affiant learned from Houston Police report 606316-21 that on 05/07/2021 at approximately 0340hrs a victim was shot at by two black males at 2727 Travis St. The suspects fled the scene in a black Chevy Malibu (TXLP [redacted] Affiant learned that the same vehicle and license plate were used in the commission of an aggravated robbery at 5060 W Alabama in Houston, TX approximately 15 minutes prior to the shooting. Affiant learned the suspects fled and abandoned a black Chevy Malibu (TXLP [redacted]) near the scene. Affiant also learned this license plate was stolen in Houston Police report 629451-21 and that on 05/07/2021 at 1044hrs the Malibu was reported stolen by Sarah Seay in Baytown Police report 21-22293. Affiant learned that a Breitling watch stolen in an

Aggravated Robbery, Houston Police report 606199-21, had been recovered near the Malibu. Affiant learned that a NIBN analysis of the spent cartridge casings indicated the same firearms were used in an aggravated robbery and shooting at 5916 Richmond in Houston, TX on May 28, 2021. (Houston Police report 715225-21)

Affiant learned from Houston Police report 629451-21 that on 05/11/2021 Houston Police officers had contacted the owner of a white Chevy truck ([redacted]) and learned that the license plate had been stolen at unknown location and time. Affiant observed this was the plate that was used in an aggravated assault (Houston Police report 606316-21) and Aggravated Robbery (Houston Police report 606279-21).

Affiant learned from Houston Police report 670314-21 that on 05/20/2021 at approximately 0100hrs three suspects committed a home invasion robbery at 1810 Thompson St in Houston, TX in which the victim, driving a Mercedes luxury SUV, was followed home from work at 3330 Hillcroft. The males entered the victim's garage and demanded jewelry, money, and a safe. Affiant observed that FLOCK cameras had located a white Cadillac CTS, bearing license plate TXLP[redacted], which returns to a Chrysler, following the victim. Affiant observed a white Cadillac CTS (TX Temp Tag [redacted]) had been rented by Sarah Seay from 05/10/2021 to 05/21/2021.

Affiant learned from Houston Police report 705595-21 that on 05/27/2021 at approximately 0340hrs Joshua Sandoval had been shot and killed in his garage at 926 Lester St in Houston, TX after he returned from a night club in the Wesheimer/S. Voss area. Affiant learned that two masked suspects had forced their way into the garage, shot the victim, and were picked up by a grey Audi SUV. Affiant observed a gray Audi SUV (TXLP[redacted] had been rented by Sarah Seay from 05/24/2021 to 05/29/2021.

Affiant learned from Houston Police report 715225-21 that on 05/28/2021 at approximately 2050hrs a victim was shot seven times in an attempted robbery of the victim's jewelry at 5916 Richmond in Houston, TX. Affiant observed that a NIBN analysis of the recovered cartridge casings matched the firearm used to the shooting at 2727 Travis St (Houston Police report 606316-21).

Affiant also learned that a River Oaks Patrol Bulletin had reported to officers on an Extra Job detail that at approximately 2120hrs on 06/01/2021 multiple suspects had attempted to enter a residence through the garage in the 3400 blk of Ella Lee, Houston, TX before fleeing the scene in a white Mercedes GLE SUV.

Affiant learned from Sugar Land Police report 21-2799 that on 06/01/2021 at 2347hrs a 2021 white Mercedes GLE bearing TXLP [redacted] had been involved in a home invasion robbery at 3003 Auburn Path and had followed the victim from the Hillcroft/ Richmond area of Houston. It was reported that three black males had entered the victim's residence through the garage, zip tied a resident's hands, and proceeded to steal jewelry, watches, a purse, and wallet before fleeing the scene in the Mercedes SUV. Affiant learned from HPD incident# 736663-21 that the TXLP[redacted] had been reported stolen on 06/02/2021from a white Mitsubishi SUV at 2915 Umiak Dr.

Affiant learned from Katy Police report 2021-18377 that on 06/04/2021 at approximately 1900hrs two suspects attempted to rob a jewelry store at the Katy Mills Mall and as a result an employee shot at the suspects. Affiant learned that the suspects fled the scene in a white Mercedes GLE SUV which was bearing TXLP[redacted]. Affiant learned from Houston Police report 750744-21 that TXLP[redacted] had been stolen from 06/04/2021 to 06/05/2021 from a white Mitsubishi SUV parked at 1822 Barker Cypress. Affiant observed this was the same location where a vehicle belonging to Sarah Seay had been scanned by plate readers multiple times and the same location in which property stolen from an Aggravated Robbery (Houston Police report 796480-21) had been recovered.

Affiant learned from Fort Bend County Sheriff's report 21-21916 that at approximately 2206hrs on 06/04/2021 a victim was robbed in his garage at 87 Amber Hollow Ct after being followed from a restaurant at 1101 Uptown in Houston, TX. It was reported that a black male, wearing a red hoodie, black pants, gloves, and a mask stole a $40,000 watch from the victim after pointing a firearm at him. It was also reported that there was an additional armed suspect wearing a black hoodie, black pants, and a mask. Affiant learned the suspects fled the scene in a white Mercedes GLE SUV bearing TXLP[redacted] which belonged to a brown KIA SUV. Affiant observed license plate had been reported as stolen 07/07/2021.

Affiant learned from Memorial Village report 21-0453 that on 06/09/2021 at 2224hrs a victim had arrived home to 11314 Smithdale Rd driving a Rolls Royce, and a short time later two suspects jumped the male's fence and fled after a dog started barking. Det. Cerny obtained surveillance footage as well as Flock camera footage of the victim being followed by a white Mercedes GLE SUV (bearing TXLP[redacted]. Affiant observed the plate returned to a white Toyota and had been reported stolen on 07/07/2021.

Affiant learned that on 06/14/2021 that HPD and ATF taskforce officers were conducting surveillance at 11010 Long Gate Dr, Houston, TX 77047 when a 2021 white Mercedes GLE AMG SUV bearing TXLP[redacted] arrived and parked near the residence at which point a black male exited the vehicle and met with suspects who were under surveillance for an ongoing criminal investigation. HPD Sgt. Richards identified the black male driver of the Mercedes GLE AMG SUV as [redacted], a member of the group being investigated. Affiant observed the 2021 Mercedes GLE AMG SUV was registered to Chantele Marie Derosin and

learned from her she rents the vehicle through Houston Luxury Auto, 7300 Southwest Fwy, Houston, TX 77036. Affiant obtained a copy of the vehicle rental agreement and learned that a white Mercedes Benz GLE AMG had been rented on 05/28/2021 and returned on 06/16/2021 with the following information provided:

Renter: Devan Jordon
Telephone: [redacted]
Driver's License: [redacted]
Address: 12325 Shadow Creek PKWY #318, Pearland, TX 77584

Affiant learned that on 06/16/2021 ATF Task Force Officers recovered the Mercedes GLE AMG SUV from 7300 Southwest Fwy and had it processed at the Harris County Institute for Forensic Science (HCIFS). Affiant learned that when Task Force Officers had recovered the Mercedes it had been already cleaned multiple times and they were followed by an individual believed to be associated with the robbery suspects. Affiant learned from the HCIFS that the Mercedes GLE AMG SUV bearing TXLP[redacted], rented by Devan Jordon, had been processed for evidence and blood evidence, bodily fluids, and DNA had been detected. Forensic analysis indicated the blood was a mixture of multiple different individuals but was likely not from Jeffrey.

This pattern of victims in luxury vehicles being followed and robbed of jewelry by suspects using a late model white Mercedes SUV led Affiant to believe the Jeffrey had been selected as a victim by the same suspects involved in the cases above and followed from the Capitol Grille at 5365 Westheimer Rd Houston, TX to his residence at 1511 Waterside Dr in League City where he was murdered.

Affiant obtained a search warrant for the cellular phone records of Devan Jordon's T-Mobile Phone and Affiant observed an analysis of Devan Jordon's phone calls and historical records depicted Devan was in close proximity to the Capitol Grille where Jeffrey had been selected as a victim and Devan's phone had travelled to League City to a location near Jeffrey's residence at the same time Jeffrey was shot in his garage at approximately 2320hrs. Additionally, analysis of Devan's phone records showed him in close proximity to the other crimes involving the white 2021 Mercedes GLE.

Affiant observed Devan's phone number [redacted] used a cell site located at Cell Site located at 29.737706, -95.469213 six times between 9:45pm and 10:45pm. This Cell Site is located approximately 518 ft South of the Capital Grille Restaurant and the tower quadrant Devan's cell phone utilized would place him in the area where surveillance footage showed the white Mercedes GLE to be parked.

Affiant observed T-Mobile Data Sessions Report indicates that subscriber # [redacted] utilized Cell Sites from near the area of the Capitol Grille in Houston to the victim's home at 1511 Waterside Dr from approximately 10:45 pm to 11:30 pm which is the time frame Jeffrey traveled from Capitol Grille to League City, TX and was shot in his garage:

This pattern of travel is consistent with following the path Jeffrey traveled to his residence in League City, TX.

On 07/01/2021 Affiant learned Devan Jordon had been arrested by the Houston Police Department for the murder of Joshua Sandoval on 05/27/2021. Affiant attended the interview and learned that Devan Jordon told investigators that he had dropped off and picked up Jamarcus Hill and Joniethon Grigsby in the area of 926 Lester St. Affiant interviewed Devan Jordon and Devan admitted to renting and driving the white 2021 Mercedes GLE "for a few days". Affiant knows from speaking with Hokar Omar Aqrawi, the owner of Black Label Exotics and the rental company which has care of the white Mercdes GLE (TXLP[redacted]) that Devan had rented the car on 05/28/2021 and turned it in on 06/16/2021.

On 10/01/2021 Affiant completed search warrants for Devin Jordon`s instagram page, username 1_slickk, and the associated email addresses [redacted] and [redacted]. Affiant observed those email addresses as well as [redacted] had been registered with the instagram account 1_slickk. Affiant observed the account had been verified by phone number [redacted] which Affiant recognized to be Devan`s phone number.

Affiant observed that username 1_slickk had communicated with other instagram users numerous times throughout the evening of 06/10/2021 well into the early morning hours of 06/11/2021. Affiant observed that in one text thread the user 1_slickk (Instagram: [redacted]) communicated with another user badgallinaa_ (Instagram: [redacted] from the time frame of 1800hrs to 2230hrs on 06/10/2021 at which point the White Mercedes GLE SUV was parked in the parking lot of the Capital Grille. Affiant also observed the same instagram account had five photo stories posted from 1530hrs on 06/10/2021 to 1440hrs on 06/11/2021. Affiant observed that several videos shared by account 1_slickk had been posted which depicted the driver's view of an African American male operating a Mercedes SUV. Affiant observed the color of the vehicle's interior and the Texas registration sticker, expiring on 12-22, to be the same as on the Mercedes SUV TXLP[redacted] Devan had rented from Black Label Exotics.

Affiant learned, via data obtained from the search warrant for Devan Jordon's phone records, that Devan Jordon's phone number had made 300 cellular transactions including 22 calls recorded by T-Mobile on 06/10/2021 with 36 transactions including 2 calls being

from the time frame of 2100hrs to 2330hrs.

On 12/01/2021 Affiant recieved DPS lab report HOU-2106-09300 and learned the report indicates that the DNA profile obtained from the straw, which Affiant recovered in the white styrofoam cup, is consistent with the known DNA profile of Devan Jordan.

Affiant observed that Devan Jordon's cell phone historical records placed him in close proximity to the following locations in which the aforementioned offenses had taken place:
2727 Travis St, Houston, TX on 05/07/2021 (HPD report 606316-21)
926 Lester St, Houston, TX on 05/27/2021 (HPD report 705595-21)
3427 Ella Lee Ln, Houston, TX on 06/01/2021 (River Oaks security bulletin provided to HPD officers)
3003 Auburn Path in Sugarland, TX on 06/01/2021 (Sugar Land Police report 21-2799)
Katy Mills Mall, Katy, TX on 06/04/2021 (Katy Police report 2021-18377)
87 Amber Hollow Ct in Fort Bend County, TX on 06/04/2021 (Fort Bend County Sheriff's report 21-21916)
11314 Smithdale in Memorial Village, TX on 06/09/2021 (Memorial Village report 21-0453)
1511 Waterside Dr in League City, TX on 06/10/2021 (League City report 21-2947)

The pattern of robberies associated with the white 2021 Mercedes GLE, the fact that Devan Jordon rented a white 2021 Mercedes GLE during the time of these crimes, and the fact that Devan Jordon's cell phone location data mimics the movement of the victim, and the location of Devan Jordon's DNA on physical items left on Enterprise Ave, where the white Mercedes GLE was, leads Affiant to believe that Devan Jordon selected Jeffrey as a victim at the Capitol Grille and followed him to 1511 Waterside Dr in League City, Texas. While Jeffrey was in his garage Devan intentionally caused the death of Jeffrey Johnson by striking him with a firearm and shooting him while attempting to commit a robbery.

Affiant is Clayton Shaw, employed by the League City Police Department. Affiant is currently assigned to the Criminal Investigations Division where his duties are to investigate all crimes that occur inside the city to include the crime of:

CAPITAL MURDER BY TERROR THREAT/OTHER FELONY - 19.03(a)(2) (PC) (FX) (09990022)
