Yes – sorry I know it is confusing... Coushatta wasn't REAL political like the NRCC so I just said to pull it off. Other stations didn't even code Coushatta as political. I am sorry – I should of explained that.

Thanks Lori

Ok, just DOUBLE CHECKING that with this Coushatta ISSUE (below)... I was to **remove everything from the FCC** on them... unlike the NRCC cancelled orders that just came through, correct?

Hi Lori,
I'm not finding the attached **two 3rdQTR Coushatta orders** on the **Political Tracking 2020** spreadsheet.
I also need CREATIVE NABs for them. (Their flights were in July and late August.)
I only have a CREATIVE for 1945314 (which was back in March)
