Subject: RE: Incident [REDACTED]

Morning Chief:

Prelim research on this issue provides that it was written by Central Officer Nicole Chandler on April 8, 2018, as an FSGI – Full Plate and Able to ID Suspect incident report... with notes added "Road Rage [with other details]...", and then assigned to Vehicular Crimes on April 9th.

On May 24, 2018, the case was "Suspended – Lack of Personnel" by Senior Officer Danh Nguyen even though there is a full license plate and suspect description information provided within the report, to include a statement by the witness that they can ID the suspect. Note also that the offense title of the incident report was changed to "FSGI – Damage Under \$1000 or Private Property."

Regardless, will have this issue sent to Vehicular Crimes via Field Ops and PQC for follow-up investigation, to include Contact the Citizen / Advise of Action instructions, Sir.

As a courtesy, I am copying EAC Finner, AC Victorian, and Commander Deese so they will have advance notice that this issue is being sent to VCD... gam
