I, J. KOSLER, a peace officer employed by HOUSTON POLICE DEPARTMENT do solemnly swear that I have reason to believe and do believe that within the residence, and attached garage, located at 9770 GULFSTREAM, CONROE, TX 77303, are AMMUNITION, FIREARMS, EXPLOSIVES, MATERIALS USED TO MAKE EXPLOSIVES, CELL PHONES, COMPUTERS, AND ANY EVIDENCE TENDING TO CONNECT MORENO WITH THE COMMISSION OF THE OFFENSE OF AGGRAVATED ASSAULT, POSSESSION OF PROHIBITED WEAPONS, AND/ OR HOAX BOMB that may be found therein. Said location is more particularly described as a one-story, single family residential dwelling. The paved driveway leads to a beige in color two car garage door with the front door of the residence to the left of the driveway. (please see picture below for reference).

MY BELIEF IS BASED UPON THE FOLLOWING FACTS:

Your Affiant, J. KOSLER, has been a certified peace officer in the State of Texas for 11 years and is currently assigned as a Detective with the Houston Police Department Homicide SIU. On February 11, 2024, Affiant was called out to the Lakewood Church, located at 3700 Southwest Freeway, Houston, Texas 77027 in reference to an active shooter situation. First responding Houston Police Department units arrived to find that a female shooter, later identified as Genesse Ivonne MORENO, H/F, DOB 8/21/1987 had shot and injured Tom George Thomas, DOB [REDACTED] with an AR15 rifle. When MORENO pointed her weapon at first responding officers, they shot and killed her in self-defense. Affiant observed that MORENO arrived at the location in a white Lincoln MKC bearing Texas License plate [REDACTED], which is registered to her at an address of 9770 Gulfstream, Conroe, Texas 77303. Prior to being shot and killed, MORENO stated that she was in possession of a bomb. Affiant observed that she was in possession of a yellow in color rope and substances consistent with the manufacture of explosive devices, which appeared to be a detonation cord, and is at this time unable to determine whether MORENO'S threat of possession a bomb is currently credible.

Because MORENO'S crime involved an active shooter scenario at a large church in the Houston area, Affiant believes that it is likely that information pertaining to motive and intent are likely to be present within the stored content associated with accounts belonging to or under MORENO'S control. Affiant believes that seizing and searching the digital devices belonging to or under the control of MORENO will yield information that is relevant to Affiant's investigation in this case.

Affiant learned from Texas Ranger D. Leitner, who spoke with J. Nichols, a Conroe Police Department Detective, that during surveillance at the residence located at 9770 Gulfstream, Conroe, Texas 77303 on February 11, 2024,

following the shooting at Lakewood Church, a dark in color sedan bearing Texas License Plate [REDACTED] was parked at the residence and is presently registered to MORENO at the 9770 Gulfstream address. Based on Affiant's investigation to date, Affiant believes that evidence associated with the offenses of Aggravated Assault with a Deadly Weapon, Hoax Bomb, and or Possession Prohibited Weapons are likely to be located within the residence and/or dark in color sedan bearing Texas License Plate [REDACTED] at 9770 Gulfstream, Conroe, Texas.

Affiant requests that the FBI assist with the execution of the above requested warrant, including but not limited to the forensic analysis of any digital devices collected pursuant to this warrant. Affiant knows that the FBI possesses devices capable of retrieving data and images from devices capable of storing the same.

WHEREFORE, PREMISES CONSIDERED, your affiant respectfully requests that a warrant issue authorizing your Affiant, or any other peace officer of Montgomery County, Texas to enter the aforementioned premises which is the residence, VEHICLE, and attached garage, located at 9770 GULFSTREAM, CONROE, TX 77303, with authority to search for and to seize the property and items set out earlier in this affidavit.

AFFIANT

Sworn and subscribed to me by the affiant on this 11th day of February, 2024, and I am an official authorized to administer this oath pursuant to Tex. Gov't Code §602.002.
